

How we support you with AQA GCSE English Language and Literature

A subscription to Educake English includes KS3 and GCSE, and allows you to choose the exam board you need, with content and question styles tailored to that specification.

Our popular standalone reading tests help students develop the comprehension and analytical skills they need for the Language papers. We've even included exam-style questions:

Q1) Read the first paragraph of this source again. List four things about Felix from this part of the source.

One student wrote an answer to this question:

Felix has false teeth; Felix's false teeth are too big for him; Felix is happy; Felix can't afford to go to the dentist any more.

How many marks would they receive? A maximum of 4 marks is possible.
